YACHTING

ABOUT US

Founded in Bodrum in 1998, Beluga Yachting has prioritized quality service and customer satisfaction since its establishment, offering its clients unforgettable sea experiences with its well-equipped yachts.

Continuing to keep the spirit of the Blue Voyage alive in the unique bays of Bodrum, Beluga Yachting provides every guest with the opportunity to create lasting memories through tailor-made routes and flexible service options. Our professional and experienced team carefully plans every detail to ensure a safe and comfortable yachting holiday.

Our company stands out in the sector not only with its yacht charter services but also with its expertise in yacht manufacturing. The custom yacht projects brought to life by our in-house design and production team meet the highest standards in both aesthetics and durability. In this way, Beluga Yachting offers its clients not only the chance to enjoy their time at sea, but also the opportunity to design and own the yacht of their dreams.

By combining its long-standing experience with modern solutions, Beluga Yachting aims to be the ideal partner for everyone who loves the sea. Discover the freedom of the sea with Beluga Yachting!
